HEMUS 2022

DEFENCE, ANTITERRORISM & SECURITY

XIth INTERNATIONAL CONFERENCE “HEMUS 2022”

2 - 3 June 2022, International Fair Plovdiv, Bulgaria

For more than 20 years, the International Conference “HEMUS” has been held in the oldest city in Europe – Plovdiv. This year, XIth International Conference “*Scientific research, technologies and innovation – basic for building new defence capabilities*”, will be held on 2nd and 3th June 2022. Traditionally, the Conference is organized by “Professor Tsvetan Lazarov” Defence Institute and Hemus’95 Foundation under the patronage of the Ministry of Defence of the Republic of Bulgaria. It is part of the XVth International Defence Equipment Exhibition “HEMUS – Defence, Antiterrorism & Security”.

The main thematic areas cover the priorities for the acquisition of capabilities in the European Union, cooperation, research and innovation in EU and NATO, and also areas covering arms, combat systems and technologies, logistics, communication systems and cyber security, social and economic aspects of defence.

Topics:

- *Armaments, battle systems and technologies*
- *Communication and information systems and technologies, cybersecurity*
- *Logistics, CBNE and green energy*
- *Military-political, social and economic aspects of defence*
- *Innovation and cooperation for defence and security*
